#### **4. MEASUREMENT OF LENGTH OVER ALL (LOA):**

Length Over All (LOA) is measure from two vertical directions from the two ended points of the yacht, which eliminates rudder, pole, etc. and other parts of the yacht

which are exceeding the hull. This measure is a base for forming the racing groups (classes). The LOA from the yacht documents will be taken for forming the groups (classes). Each helmsman that files up the entry form have to write down the yacht LOA with good will regarding to the rule number 69 (RRS).

## **5. GROUPS:**

### **OPEN**

All competitors and their yacht will be set to the groups (classes) up to their LOA beginning from the smallest yacht starting from 7,30m and further each meter for one group. In case there is a group with less than 3(three) yachts they will be added to the longer-bigger group. Groups will be set before start on the skipper's meeting.

### **GROUP ORC:**

All regular entries will be divided in groups up to their ORC certificates for **2022**:

The groups (2) will be divided up to their CDL in their valid ORC certificate.

If the group has less then 4 yachts will be added to the bigger group.

The group setting can't be a case of redress.

All competitors should be members of their national sailing federations.

All yachts should have Croatia Yachts "Vignete" from Croatian sailing federation for 2022
